85 gallon - Lifetime warranty\* **\$915**  
105 gallon - Lifetime warranty\* **\$997**

For pricing on any other sizes, please ask a member service representative as pricing will vary based on shipping costs.  
For pricing on mixing valves, contact your dealer.

**L**ifetime tank\* and six year parts warranty!

### 2009 Itasca-Mantrap storage water heater rebates:

New construction high-efficient\*\* storage water heating **\$150**  
Retrofit existing non-electric heater to high-efficient\*\* storage water **\$150**  
Retrofit existing electric heater to high-efficient\*\* storage water **\$300**

\*Installed water heater must meet the efficiency rating of .90 or higher to qualify for a rebate.  
Rebate will be processed after water heater is installed and completed rebate application is submitted.

*For residential applications the tank is warranted not to leak: "for as long as you own your home." If the home is sold, the warranty converts to 15 years from the date of manufacture.*
